(b) (6), Chairman  
Colbert Landfill Action Committee

(b) (6)  
Colbert, Washington 99005

Dear (b) (6)

Enclosed for your use is the Community Relations Plan for the Remedial Design, Remedial Action and Operations and Maintenance phases of the cleanup at the Colbert Landfill. There are two minor mistakes. The first one is on the second page of the Superfund Process Glossary, the third definition in the first column should be Toxic Cleanup Program (TCP) rather than Hazardous Waste Cleanup Operations Program (HWCOP).

The other mistake is located in Appendix II, the last location, should read Toxic Cleanup Program also.

I hope you find this document useful. If you have any concerns or comments, or if you would like more copies, please let me know.

I also have enclosed copies of the December Progress report which I hope you will share with the other members of the committee.

Sincerely,

Teri Fisher, Community Relations  
Site Cleanup Section  
Toxics Cleanup Program
